-------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Product Weight	<ul style="list-style-type: none"> • 2270g
Size	<ul style="list-style-type: none"> • 300cm x 270cm x 120cm (approx.)

Storage	<ul style="list-style-type: none"> • Keep stored and transported at ambient temperature (0°C to + 30°C) • Do not store in direct/high heat or sunlight as this may affect the internal components of the kit
Lifetime	<ul style="list-style-type: none"> • Not all products have an expiry date, however most sterile items do. If a non-sterile product has no expiry date and still sealed in its original packaging, it's a question of judgement as to whether it is still suitable for use. • Items that have exceeded their expiry date should be disposed and replaced as they may not be effective and can start to deteriorate, making them unreliable.
Cleaning	<ul style="list-style-type: none"> • Clean the storage bag using warm soapy water and soft cloth
Disposal	<ul style="list-style-type: none"> • Recycling is preferred where possible. Look out for the recycling symbol for material categories

Replacement Components	<ul style="list-style-type: none">• Following the use of any product the kit should be replenished with items used so they are fully functional for future incidents• Refer to the STEIN Website for replacement items www.steinworldwide.com
Additional Information	<ul style="list-style-type: none">• In extreme cases of haemorrhage further products may be required over and above the items in these kits.• This kit does not replace the mandatory Workplace First Aid Kits complying with BS 8599-1:2019
Training	<ul style="list-style-type: none">• It is not feasible to address every potential scenario involving the use of this product. Users are strongly advised to obtain professional training from a fully qualified and competent instructor before use.• Training Providers can be recommended upon request
